As Founder and Chief Executive Officer of MTMI, she brings commercial accountability and a longstanding commitment to developing and positioning creative talent.

Her early career in accounting, marketing and the photographic industry cultivated an exacting approach to accountability, integrity and professionalism. Her professional record includes finance and operating leadership across advertising, business innovation, financial media, television production, music distribution, recruitment and creative enterprise.

Martindale is Founder and Editor-in-Chief of The Majestine, a forthcoming digital magazine; creator and author of The BluPrint, a structured developmental programme for women centred on The Art of Becoming; and the inventor of AMBER, a patent-pending prevention technology.

She also leads the Miss World Guyana National Directors Council.

In March 2022, Majesty became a member of the International Modeling & Talent Association (IMTA) and, as a member organisation, serves as IMTA's Caribbean Training Center. Majesty Talent Management Inc. was incorporated in Guyana in 2025, followed by Majesty Talent Management, LLC in Colorado, United States, in 2026. 03 / REPRESENTATION & SAFEGUARDING

A CLEAR PATH. SAFEGUARDS AT EVERY STAGE.

MTMI's approach combines professional preparation with informed, age-appropriate decision-making. The pathway below makes the commercial boundary visible: Phase 1 bookings are for verified adults only.

01 / ADULTS 18+

DIRECT PATHWAY

Direct application. Phase 1 commercial bookings are limited to adult talent with a verified age on record.

02 / AGES 14-17

GUARDIAN-ASSISTED

Parent or legal-guardian details and secure approval are required before review. Commercial booking is unavailable in Phase 1.

03 / AGES 1-13

PARENT-LED

The guardian is the primary contact, and no child talent account is created. Commercial booking is unavailable in Phase 1.

SAFEGUARD SYSTEM

PRIVATE MEDIA • VERIFIED AUTHORITY • REVOCABLE ACCESS • STAFF REVIEW

Application media is private by default. Guardian access is verified, record-bound and revocable. Any public-profile, media or project step requires relevant staff and, where applicable, guardian approval.

COMMERCIAL PRACTICE

MTMI does not charge application, audition, registration, signing or listing fees. Representation is never conditional on purchasing training or development services. Where a representation agreement permits commission, it is earned from paid professional engagements, not paid in advance.
